BHSA COVID-19 Outbreak Guidance : Junior School

Where an outbreak is in a particular class/year group the following additional precautions will be put in place:

- Class/both classes (if applicable) become a bubble and no longer mix with other year groups
- Class teacher and all other staff teaching that class/year to be advised to wear a face covering
- Virtual assemblies to be held

- Lunches to be eaten in the classroom and parents asked to provide a packed lunch or a school sandwich lunch ordered and brought over from the canteen
- Specific zone/area of the Junior playground to be used in order to separate at playtimes
- Request PCR tests from anyone experiencing any of the 3 main symptoms and/or other hayfever/cold type symptoms
- Increased hand hygiene, including washing of hands between each & every lesson, not just lunchtimes or breaktimes
- Check clubs attended – they may continue to run if no other year group is attending
- Alert CAPE to use the 'old uniform shop' area as a separate space – Cape to inform parents of this
- **Increased communication to all parents/carers regarding all the new measures in place**
