

## **Firefly Parents' App**

The Firefly Parents' App is now available for iOS and Android, (Note: pictures taken from an iOS device and may vary slightly on Android), stores. We have detailed briefly how to access the app and basic functionality.

Download the app from the store (1.), and login to the app using the School Code BHSA (2.).

Once you have entered the School Code you will be taken to the logon screen (3.). As with the web version, you will need to login as a **Cloud User** (Students login as O365 users) using your email address and password.
