CHRISTIANITY

How did it begin?

Christianity is one of the world's major religions. It is the world's largest religion, with about 2.4 billion followers. Christians (like Jews and Muslims) believe in one God, who created the world and all that is in it. Jesus Christ, who was crucified around A.D. 30 in Jerusalem, is the founder of Christianity. Jesus Christ, was a middle-eastern preacher and healer who lived around 2,000 years ago. Christians believe that Jesus Christ was sent down to earth to save people, by taking their punishment and dying on the cross

Important beliefs & teachings:

-Christians believe that God created the Earth and everything in it in 6 days, resting on the 7th . -The story of creation tells Christians that at first everything was dark, until God intervened and created matter.

-Christians believe that God can be seen in three ways, known as the Holy Trinity: -The Father – Creator of the world; -The Son – Who came to Earth as Jesus; -The Holy Spirit – God's power within Christians

-In the Bible, ten 'commandments' are shared, which Christians should aim to live their lives by:

-Jesus was sentenced to death for calling himself the son of God. He had a final meal with his disciples (known as 'The Last Supper') before being crucified. He is said to have died for the sins of man.

Special Book:

The **Bible** is the holy book of Christians. It contains the **Old and New Testaments**. The Old Testament is similar to the Jewish Bible and was written before Jesus' birth. The New Testament contains stories about Jesus, written by those who knew him.

Place of Worship / How people worship:

Christians can pray in any place, but the most common location is in a purpose-built building called a **church**. Churches can be very different – old, new, plain or highly decorated. Often, the floor plans of churches are shaped in a cross. -Church services often include hymns, prayers, and readings from the Bible. -Common church features include altar tables, lecturns, pulpits, fonts and stained glass windows. A **cathedral** is a Christian church that is the home church of a bishop. **Bishops** oversee many churches in a particular region, so the cathedral is often larger and more decorative than the others. The Christian spiritual leaders are called priests, vicars or ministers.

Key Symbols/People:

- Christians believe that **Jesus** was the son of God. He was born to ordinary parents, Mary and Joseph, in Bethlehem. Christians celebrate the birth of Jesus on 25th December – Christmas Day. -Jesus travelled around, teaching people about God and helping the sick. He chose 12 men to travel with him. They were his special companions and are known as **the disciples**.

-There are many different denominations (types) of Christians. All Christians were once Catholics, but other groups branched off many years ago. -The biggest Christian denomination is still **Catholicism**. To Catholics, the **Pope** is Christ's representative on earth. Other major groups include Protestants (including Anglican/ Church of England faiths) and Orthodox
