

when taking part in a...

1. Have a blank background behind you where possible.
2. If someone is with you, try to ensure they are not in view on screen.
3. Take part in your session in a sensible area of your house (no bedrooms or bathrooms please).
4. Always start the session with your microphone on mute.
5. Wait for your teacher to start the session and ask for mics to unmute.
6. Be respectful and kind in your comments, both verbal and written (just as you would in school).
